Consumer Directed Services is not an Agency and makes no representation (positive or negative) regarding the appropriateness of any PCA Candidate, or the terms and conditions of any employment relationship. All employment and payment decisions are the exclusive responsibility of the Consumer.

Although there is no specific training, certification or licensure prerequisite, beyond that required or provided by the Consumer, if you are seeking employment from a Consumer who is receiving their service authorization from a New York State Medicaid funded Consumer Directed Personal Assistance Program, the Consumer is permitted to consider your employment only if you can pass ALL of the following New York State reviews.

1. You are an adult of at least 18 years of age.
2. The Consumer is not your spouse or (if the Consumer is younger than 21) is not your child.
3. You do not live in the home of the Consumer (unless their service requires it).
4. You are not the Designated Representative (Surrogate) of the Consumer.
5. You do not have any financial control over the Consumer.
6. Your information must pass a Federal and State Government Exclusion List Review.
- 7 You have a verifiable Social Security number and the qualified documents needed to prove that you are eligible to work in the United States.

The State of New York also requires each Personal Care Assistant to complete a Health Assessment BEFORE you begin work.

The Health Assessment includes:

- A basic physical exam - blood pressure, height, weight, etc.
- A TB (Tuberculosis) Screen (PPD) or a chest x-ray if the test is positive or if the test would not be appropriate
- A Measles and Rubella Screen or Vaccine
- A drug test of Urine (forensic toxicology)
- Documentation of vaccination against influenza, or wearing of a surgical or procedure mask during the influenza season

In addition to the above New York State requirements, the municipality in which the Consumer lives may also impose additional health assessments or legal reviews. The Consumer Directed Personal Assistance Program your Consumer chooses will require the completion of a Memorandum of Understanding (Consumer / Personal Care Assistant Agreement) to clarify the employment relationship, and they may require other documents to help them effectively complete their role as the Consumers Fiscal Intermediary.

Urgent message about CDPAP

July 05, 2024

As consumers of the Consumer Directed Personal Assistance Program (CDPAP), we find ourselves in uncertain times. The program, which was built by our community to keep individuals with disabilities living independently in the community where we want to be, will be fundamentally changed forever if we do nothing.

Governor Kathy Hochul, Senate Speaker Carl Heastie, and Assembly Speaker Andrea Stewart-Cousins have decided to award one out-of-state corporation the responsibility of administering the entire CDPAP program for 250,000 consumers and even more personal assistants (PAs), creating a monopoly. This corporation is required to be a non-New York-based company, meaning the 600 New York companies currently providing CDPAP services will no longer exist. This includes your current company.

If you think you're safe because you are a consumer of an Independent Living Center or a nonprofit that is an FI, you are not. The single statewide FI does have to provide subcontracts to Independent Living Centers and certain FIs; however, they will have no power to make any changes or set wages, according to the DOH's own document. Further, at no point in the Department of Health's request for proposals are consumer rights or due process considered.

Subcontractors are not allowed to directly perform any of the following:

- Set wages or establish benefits for personal assistants (PAs)
- Maintain workers' compensation, disability, or employment insurance for our PAs
- Maintain personal records for each PA or maintain records for consumers' service authorization or plan of care. Subcontractors are only able to maintain copies or duplicate records.

We, as consumers, are merely going to exist within a subcontractor. The single statewide FI will control all aspects of our care. We don't need to guess how that will work, we have Con Edison to show us how effective monopolies are at answering customer concerns.

What do these changes mean for you?

As a consumer, you will see widespread chaos, interruptions in services, failure to deliver paychecks, and the subsequent loss of PAs. For some of us, this will mean being placed in nursing homes. Being placed in a nursing facility can mean the loss of everything you have, everything that you have accomplished, and in some instances, death. The governor states that this is not her intent; however, intent is irrelevant. Experience from other states shows it will be true.

Right now, we have choices. If one agency's pay and benefit structure doesn't work for you and doesn't give you the ability to hire and retain PAs, you can go to a different company that does. That will no longer be the case. The single statewide FI was put in place to save money by cutting our services, and the only way they're going to achieve that is by lowering wages to the state minimum wage, cutting PTO, and not allowing PAs to do overtime.

Now, ask yourself or your PA if they will work for you for less than what they earn now. If the answer is no, we need you to stop this from happening.

Sunday July 7th

We will discuss issues we are working on.

Come for lively discussion and brainstorming on changes we can make as well as learn what we have been up to and are planning to do to advance the cause of disability rights.

In case of extremely bad weather, you can call the DIA phone number - 646-504-4342 - after 6pm the Saturday night before to find out if the meeting will be cancelled.

Our meetings are usually held on the 1st Sunday of the month. We only do the second Sunday if a holiday falls right on that day or if there is a big NYC event that makes getting around extra difficult such as the marathon, or if the weather is impassable or dangerous.

Our new phone number is 646-504-4342.

Find My FI

<https://cdpaanys.org/findmyfi/>

CDPAANYS recommends doing thorough research before selecting a fiscal intermediary. Wages, benefits, and programs can vary between providers. Your Medicaid service coordinator or plan care manager should provide you with a list of all options.

The fiscal intermediaries listed on this site are current provider members of CDPAANYS. Our members have all been screened and interviewed before joining to ensure they operate according to the principles and philosophy of Consumer Direction.

Your FI should never ask for your workers to sign a non-compete agreement.
