Notes

Consumers Wanted: For an Employment Information Bridge to work it requires traffic to flow in both directions. If you are in a Consumer Directed Personal Assistance Program, you will eventually need to find a new Home Care Worker. And up to now you may have relied upon Friends, Family, an Agency or you may have chosen to put your own advertisement on the Internet (See the list of Internet resources on the PCA Employment Agency page of this newsletter). Therefore, to help you find the PCA Candidate of your choice, I urge you, to do everything you ordinarily do, to consider an Internet resource and to try www.ConsumerDirectedServices.com. Finally, if you try Consumer Directed Services, please spread the word. Tell your friends and associates about this **FREE** service.

Comments: Dear Sir/Madam,

Having achieved many goals in my career of special education services, I am interested in expanding my professional horizons by seeking new challenges with your organization. I have enclosed my resume for your view and consideration. I am interested in a direct care professional position.

With over 17 years' of experience with children who are challenged with a developmental disability and 7 years' experience with developmentally disabled adults, I believe that I will be a great asset to your organization. I have had the opportunity to work in a variety of different settings, making it easy for me to adapt to new challenges of any type of environment.

I have created positive changes in children and adults academic skills, social participation, and home lives. They have learned to appreciate and enjoy the benefits of socialization, self-

confidence, personal achievement, and feelings of optimism. My reinforcement of their abilities has implemented a strong sense of self-awareness, self-regulation, and motivation in reaching any task or goal that they dream.

Please accept this letter as an expression of my genuine interest in pursuing my professional skills within your organization. I will produce an energized and creative learning environment that will bring out the best in children and adults with a developmental disability.
