May 30, 2014

On September 16<sup>th</sup> the New York State Department of State accepted the Certificate of Incorporation submitted by **Consumer Directed Services, Inc.** under section 404 of the Not-for-Profit Law. A certificate that included the following statement:

*To insure that the corporation remains focused on the empowerment of the people being served, as the service population grows, the corporation will expand the Board of Director Membership to insure that a majority of its seats are held by people with disabilities.*

To assist Consumers with the problem of finding new Personal Care Assistants, [Consumer Directed Services](http://www.consumerdirectedservices.com) created a FREE Employment Information Bridge between Consumers and PCA Candidates.

- [Consumers / Advocates](#)

## Notes

**Consumers Wanted:** For an Employment Information Bridge to work it requires traffic to flow in both directions. If you are in a Consumer Directed Personal Assistance Program, you will eventually need to find a new Home Care Worker. And up to now you may have relied upon Friends, Family, an Agency or you may have chosen to put your own advertisement on the Internet (See the list of Internet resources on the PCA Employment Agency page of this newsletter). Therefore, to help you find the PCA Candidate of your choice, I urge you, to do everything you ordinarily do, to consider an Internet resource and to try [www.ConsumerDirectedServices.com](http://www.ConsumerDirectedServices.com). Finally, if you try Consumer Directed Services, please spread the word. Tell your friends and associates about this **FREE** service.

Comments: I m a student currently studying at Phillips Beth Israel School. I like clinicals and I had great experience in the clinicals that i had so far. It takes lot of energy, hard work and dedication to provide good patient care but indeed that is what I seem to like the most. I have given PO meds, knows A & D care, hung some IVs and also know how to give injections. To be a good and compassionate nurse is my ambition and I assure you that me being selected for this PCA post wouldn't be a waste instead if given opportunities I would give the best patient care and would make sure that the patient's needs are met and they are happy and recovers faster.

**Now that the process of creating an organization has begun, a series of questions need to be addressed.**

*To begin, my first concern is the lack of Consumer participation in the Newsletter.*

- Your input is needed to develop a system that will encourage Consumers to use the service. This request is based on my belief that Consumer traffic will promote PCA participation, which will in-turn improve the service for all.*
- Also, if more general information is wanted, Consumer sourced articles, comments, and observations – related to the Consumer Directed Personal Assistance Program (CDPAP) are welcome (please no personal attacks, language that would be unsuitable for a general audience, or agency advertisements.).*

*Next are the issues of organizational structure. Although it has been my consistent belief that Consumer participation on the Board of Directors is essential for an organization that claims any connection to the CDPAP. The question is how can the organization nurture a cadre of Consumers who are capable of making a positive contribution to the organization's mission?*

*To identify this group of Consumers I propose the following multi-step approach to Consumer Board Membership.*

*First, to help support the organization I propose an annual Consumer Membership fee. Although other individuals and organizations (especially Fiscal Intermediaries) would be encouraged to contribute to the organization, only Consumers would be counted as Members.*

*Second, although all Consumers would be able to utilize the service, only dues paying Members would be given the opportunity to participate in the Consumer Advisory Council. Consumer candidates would be elected to the Council by the Members. Council participation would be limited to two, two-year terms.*

*Third, when a Consumer seat on the Board becomes available, the new Board Member would be selected from the active members of the Council by the remaining members of the Board of Directors and their term would again be limited to two -two year terms.*

*Finally, if you wish to continue to receive the newsletter, please send a reply email. If you, as a Consumer or Advocate have not yet responded to the following information which was originally published on May 18<sup>th</sup> I look forward to your comments and recommendations.*

*Thank you for taking the time to review the above.*

*Regards,*

*Ed Litcher*
