July 11, 2014

On September 16<sup>th</sup> the New York State Department of State accepted the Certificate of Incorporation submitted by **Consumer Directed Services, Inc.** under section 404 of the Not-for-Profit Law. A certificate that included the following statement:

*To insure that the corporation remains focused on the empowerment of the people being served, as the service population grows, the corporation will expand the Board of Director Membership to insure that a majority of its seats are held by people with disabilities.*

To assist Consumers with the problem of finding new Personal Care Assistants, [Consumer Directed Services](http://www.consumerdirectedservices.com) created a FREE Employment Information Bridge between Consumers and PCA Candidates.

- [Consumers / Advocates](#)

- To receive a copy of the weekly Newsletter, a Consumer or Advocate need only send me an email to [elitcher@consumerdirectedservices.com](mailto:elitcher@consumerdirectedservices.com) and include your name and the text **Newsletter Request**.

When your information is received it will be distributed to all of the PCA Candidates enrolled in the database and a variety of other Employment Resources.

- [Personal Care Assistant \(PCA\) Candidates](#)

## **Comment - Perhaps it is time for Unions**

*Recently, I received a number of inquiries about Personal Care Assistant (PCA) pay rate changes that have occurred since the State moved to incorporate the Consumer Directed Personal Assistance Program (CDPAP) into the Managed Care Program.*

*Unfortunately, as a sideliner, and not an employee of a CDPAP provider, a Manager Care Program or a program funder, I have no direct information about the full scope of the problem, but as I thought about these questions, I remembered the system we had when the Human Resources Administration (HRA) ran the entire Home Attendant program, which included the CDPAP.*

*Within that structure, although the CDPAP did not have a union, the HRA contract enabled us to have each of the PCAs sign a wage agreement (which we incorporated in the enrollment documents). An agreement that permitted the agency to exceed the State's minimum wage, and provide a wage and benefit package that was at least comparable to (if not a little better than) the package offered to the unionized Home Attendants. The result of this contract between HRA and the CDPAP was a reasonable bargaining position for Consumers, and a standardized wage and benefit package for the PCAs.*

*But as we all know, the State has elected to move the program to Managed Care which has fragmented the program and nullified any idea of standardized wages and benefits for workers who are not unionized. And although this new arrangement may enable a few members of the administrative staffs to receive excessively high wages, this nullification that may force Consumers and PCAs to become the front line troops in the battle to preserve the agency's bottom line. Rather than having Consumers and PCAs on the same side, they will be positioned at the opposite ends of the field, as they have been during the recent argument about the changes in overtime rules. Rather than demanding that PCAs should be paid every penny they are entitled to, to promote a wider range of Consumer employee choices, Consumers and PCAs will be forced to engage in a new fight-to-the-bottom, with each side blaming the other as they try to cope with fewer choices, lower wages and questionably managed benefits.*

*At this point it is perhaps time for Consumers and PCAs to stand together. Perhaps it is time for unions to take a more active role within the CDPAP. And although I understand many of the pitfalls that could result from this suggested relationship, if the unions are made to understand that the employer - employee relationship is very different in the CDPAP, and that the Consumer's right to hire, train, supervise, schedule and if need be fire the PCA is non-negotiable, than perhaps this suggested relationship could provide a stabilizing element for both Consumers and PCAs.*

*I welcome your responses.*

*Ed Litcher*

## **Consumers Searching**

**Consumers Wanted:** For an Employment Information Bridge to work it requires traffic to flow in both directions. If you are in a Consumer Directed Personal Assistance Program, you will eventually need to find a new Home Care Worker. And up to now you may have relied upon Friends, Family, an Agency or you may have chosen to put your own advertisement on the Internet (See the list of Internet resources on the PCA Employment Agency page of this newsletter). Therefore, to help you find the PCA Candidate of your choice, I urge you, to do everything you ordinarily do, to consider an Internet resource and to try [www.ConsumerDirectedServices.com](http://www.ConsumerDirectedServices.com). Finally, if you try Consumer Directed Services, please spread the word. Tell your friends and associates about this **FREE** service.

Should you require additional information  
Please Contact the Consumer Directly.

My name is Faleisha Escort and I reside in the Bronx. I recently learned about CDPAP home care employment opportunities via [craigslist.org](http://craigslist.org) and I am interested in working a personal assistant position for a consumer located in the Bronx. I am a Certified Home Health Aide and have three years of experience working w/patients w/multiple conditions and disabilities. I recent re-entered the field via an agency, however, I do not have a case as of yet. So my schedule is still flexible at the moment. I'm seeking part-time work in the Bronx. I hope to hear from you soon. Thank you. Faleisha Escort
