Comments: I have been caring for seniors more than 10 years. I like working with elder people and find it very rewarding. I am a reliable, trustworthy and compassionate person who will care for the elderly with the best of my ability. Working on some of cases I was responsible for assisting with personal care such as bathing, getting dressed, taking medication, preparing meals, shopping and running errands. I love helping people who need help caring for themselves or are in need of companionship.

I am originally from the Ukraine and speak English, Ukrainian and Russian languages. I consider myself a very friendly person and keep warm relations with all my previous employers, thus great references are available.

I like walking, playing games, puzzles, going out to the park. From what I hear I am an excellent cook and love experimenting in the kitchen. I enjoy arts and crafts. I do not smoke. I have valid driver license
