Consumers Searching

Consumers Wanted: For an Employment Information Bridge to work it requires traffic to flow in both directions. If you are in a Consumer Directed Personal Assistance Program, you will eventually need to find a new Home Care Worker. And up to now you may have relied upon Friends, Family, an Agency or you may have chosen to put your own advertisement on the Internet (See the list of Internet resources on the PCA Employment Agency page of this newsletter). Therefore, to help you find the PCA Candidate of your choice, I urge you, to do everything you ordinarily do, to consider an Internet resource and to try

www.ConsumerDirectedServices.com.

*Finally, if you try Consumer Directed Services, please spread the word. Tell your friends and associates about this **FREE** service.*

Comments: my grandmother passed when I was a teenager. Before she passed, I assisted my mother with total care. When I turned 19, I became a home health aide. I thrive in helping

seniors and those with internal and mental illnesses. As per the direction of my patient's physician, I cared for my patient all while remembering that my job was to help them become more independent. After 3 years, obtaining an associates degree and credits towards my bachelor degree in Nursing, I became a direct support counselor. My job consisted of me caring for individuals with developmental disabilities. All in all I plan on returning to school to finish my degree. I feel my purpose in life is to help people and I would welcome the opportunity to help you and your family member.

Comments: I was certified as a home health aide about 30 years ago . Having had many cases and a lot of experience. Then changing my field of work doing catering and real estate about 15 years ago I went back into home health care without certification as The family knew of my experience and did not require certification. I've been working w/ a family & being paid by Recco city community Medicaid having met certification requirements through that program. I am hoping to find another case through this program or Connect with the family that doesn't require certification although I am willing to take the course again should it be necessary.

The Consumer Directed Personal Assistance Association of New York State (CDPAANYS) is very proud to honor **Doris Behan**, whose consistent and dedicated work resulted in the ability of parents to be paid caregivers for their adult children, with the Sally Johnston Award for Advocacy at the 14th Annual Conference

The Sally Johnston Award for Advocacy is given annually to an individual whose advocacy has resulted in significant changes to CDPA and left a positive impact on the thousands of New Yorkers who use the service. The award is named in honor of CDPAANYS founding President,

Sally Johnston, whose advocacy for independence and control over services led to Onondaga County becoming one of the original CDPA pilot counties, and then to the creation of CDPAANYS in 1998 to facilitate fiscal intermediaries from across the state working together to build the program and strengthen it for generations to come.

Presentation of The Sally Johnston Award will be on October 27, 2016 at CDPAANYS' Awards Dinner as part of the Annual Conference. The Awards Dinner will begin at 6:00 P.M. in the Ferris Ballroom at the Hilton Garden Inn in Troy.
