## Notes

**Consumers Wanted:** For an Employment Information Bridge to work it requires traffic to flow in both directions. If you are in a Consumer Directed Personal Assistance Program, you will eventually need to find a new Home Care Worker. And up to now you may have relied upon Friends, Family, an Agency or you may have chosen to put your own advertisement in the Newspaper or on the Internet. But to permit this service to grow, I urge you to add this service to your list. Do everything you ordinarily do, but add this FREE service too.

**"Traffic Builds Business,"** a saying that I believe fits our situation very well, because I believe that as Consumer traffic increases so too will the number of Personal Assistant Candidates, *an outcome that will benefit all parties.*
