Consumers Searching

Consumers Wanted: For an Employment Information Bridge to work it requires traffic to flow in both directions. If you are in a Consumer Directed Personal Assistance Program, you will eventually need to find a new Home Care Worker. And up to now you may have relied upon Friends, Family, an Agency or you may have chosen to put your own advertisement on the Internet (See the list of Internet resources on the PCA Employment Agency page of this newsletter). Therefore, to help you find the PCA Candidate of your choice, I urge you, to do everything you ordinarily do, to consider an Internet resource and to try

www.ConsumerDirectedServices.com

*Finally, if you try Consumer Directed Services, please spread the word. Tell your friends and associates about this **FREE** service.*

Comments: my grandmother passed when I was a teenager. Before she passed, I assisted my mother with total care. When I turned 19, I became a home health aide. I thrive in helping seniors and those with internal and mental illnesses. As per the direction of my patient's physician, I cared for my patient all while remembering that my job was to help them become more independent. After 3 years, obtaining an associates degree and credits towards my bachelor degree in Nursing, I became a direct support counselor. My job consisted of me caring for individuals with developmental disabilities. All in all I plan on returning to school to finish my degree. I feel my purpose in life is to help people and I would welcome the opportunity to help you and your family member.
