Consumers Searching

Consumers Wanted: *For an Employment Information Bridge to work it requires traffic to flow in both directions. If you are in a Consumer Directed Personal Assistance Program, you will eventually need to find a new Home Care Worker. And up to now you may have relied upon Friends, Family, an Agency or you may have chosen to put your own advertisement on the Internet (See the list of Internet resources on the PCA Employment Agency page of this newsletter). Therefore, to help you find the PCA Candidate of your choice, I urge you, to do everything you ordinarily do, to consider an Internet resource and to try*

www.ConsumerDirectedServices.com.

*Finally, if you try Consumer Directed Services, please spread the word. Tell your friends and associates about this **FREE** service.*

PCA Information

Consumer Directed Services is not an Agency and makes no representation (positive or negative) regarding the appropriateness of any PCA Candidate, or the terms and conditions of any employment relationship. All employment and payment decisions are the exclusive responsibility of the Consumer.

Note: If you are seeking employment from a Consumer who is receiving their service authorization from a New York State Medicaid funded Consumer Directed Personal Assistance Program, the Consumer is permitted to consider your employment only if you can pass ALL of the following New York State reviews.

1. You are an adult of at least 18 years of age.
2. The Consumer is not your spouse or (if the Consumer is younger than 21) is not your child.
3. You do not live in the home of the Consumer (unless their service requires it).
4. You are not the Designated Representative (Surrogate) of the Consumer.
5. You do not have any financial control over the Consumer.
6. Your information must pass a Federal and State Government Exclusion List Review.
- 7 You have a verifiable Social Security number and the qualified documents needed to prove that you are eligible to work in the United States.

The State of New York also requires each Personal Care Assistant to complete a Health Assessment BEFORE you begin work.

The Health Assessment includes:

- A basic physical exam - blood pressure, height, weight, etc.
- A TB (Tuberculosis) Screen (PPD) or a chest x-ray if the test is positive or if the test would not be appropriate
- A Measles and Rubella Screen or Vaccine
- A drug test of Urine (forensic toxicology)
- Documentation of vaccination against influenza, or wearing of a surgical or procedure mask during the influenza season

In addition to the above New York State requirements, the municipality in which the Consumer lives may also impose additional health assessments or legal reviews. The Consumer Directed Personal Assistance Program your Consumer chooses will require the completion of a Memorandum of Understanding (Consumer / Personal Care Assistant Agreement) to clarify the employment relationship, and they may require other documents to help them effectively complete their role as the Consumers Fiscal Intermediary.
