Notes

Consumers Wanted: For an Employment Information Bridge to work it requires traffic to flow in both directions. If you are in a Consumer Directed Personal Assistance Program, you will eventually need to find a new Home Care Worker. And up to now you may have relied upon Friends, Family, an Agency or you may have chosen to put your own advertisement on the Internet (See the list of Internet resources on the PCA Employment Agency page of this

newsletter). Therefore, to help you find the PCA Candidate of your choice, I urge you, to do everything you ordinarily do, to consider an Internet resource and to try www.ConsumerDirectedServices.com. Finally, if you try Consumer Directed Services, please spread the word. Tell your friends and associates about this **FREE** service.

Nurse Practitioners Disappointed with American Academy of Family Physicians Report AMERICAN COLLEGE OF NURSE PRACTITIONERS

Alexandria, VA, September 24, 2012

In response to the American Academy of Family Physician's recent report entitled "Primary Care for the 21st Century: Ensuring a Quality, Physician-Led Team for Every Patient," the American College of Nurse Practitioners President, Jill Olmstead, MSN, NPC-C, released the following statement. It is a shame that the American Academy of Family Physicians in their report essentially chose to close the door on the option of nurse practitioners leading a medical home. Currently The Center for Medicare and Medicaid Innovation is piloting the Independence at Home Demonstration program in which physicians and nurse practitioners direct their own home-based primary care teams which provide comprehensive, coordinated, accessible care to high-risk populations. Before we close the door on innovative opportunities to care for the American people, let us keep an open mind to what our patients need and want. This is the spirit of patient-centered care.

CareFamily Gives Cash-Strapped Seniors in Denver a New Choice for Home Care VIRGINA BEACH, VA--(Marketwire - October 2, 2012)

Consumer Directed Personal Assistance Association of New York State Advocates cheer State for protecting seniors and people with disabilities in Medicaid Redesign - Albany

Advocates for people with disabilities, seniors and others with chronic conditions cheered a decision by the Department of Health to delay moving a small Medicaid program known as the Consumer Directed Personal Assistance Program in managed care from October 1 until November 1. Supporters called the decision evidence of the State's commitment to making programs work better for those who need them.

Policy for the Transition of Consumer Directed Personal Assistance Services into Managed Care

To minimize disruption and promote continuity for members receiving Consumer Directed Personal Assistance Services (CDPAS) the following is the policy for the transition of CDPAS into the Managed Care Organization (MCO) benefit package.

1. Contracting During the Transition Period. For the period November 1, 2012- October 31, 2013 (Transition Period), Health Plans must contract with Fiscal Intermediaries (FIs) that currently have a contract or memorandum of understanding (MOU) with a local social services district (LDSS) and currently provide fiscal intermediary services to the health plan's member(s). The rate of payment must be at least the Fee for Service rate of payment provided for in the contract or MOU between the FI and the LDSS. The MCO is not required to contract with FIs unwilling to accept the applicable Medicaid FFS rate as long as the MCO maintains an adequate network. To adequately meet the needs of members who are newly assessed and considered eligible to receive CDPAS, the MCO may also include in the MCO's network FIs that do not have a contract or MOU with the LDSS.

2. Consumer Continuity of Care and Choice During the Transition Period. The Department

will provide a list of Fiscal Intermediaries (FIs) currently providing FI services to MCO's enrolled members. To promote and maintain consumer choice, members may, during the Transition Period, change to any FI in the county that has a contract with the MCO. If the FI serves less than five (5) members in a county, MCOs may encourage the members to use an alternative FI to minimize the number of FIs an MCO must have under contract. However, during the transition period, the expectation is that a member is not required to transition to a different consumer directed personal assistant due to the lack of an MCO/FI contract. MCOs are prohibited from coercing or threatening the member or the worker to change FIs.

3. Network Adequacy During the Transition Period. An MCO that does not have members participating in CDPAS in a particular LDSS must have at least two (2) FI contracts per county where resources exist. This will ensure that members will have the option to participate in CDPAS.

4. FI Contracting and Network Adequacy After the Transition Period. Beginning November 1, 2013, MCOs may contract with two (2) FIs to cover members in multiple counties.

October 1, 2012

5. Model FI Contract and Department of Health Review. The DOH supports the use of the MCO/FI model contract developed by the parties. However, each MCO/FI may negotiate the terms of the model contract, except that no agreement may contain provisions that would be considered management functions under 10 N.Y.C.R.R. 98-1.11 or a provider agreement per 10 NYCRR 98-1 and the Provider Contract Guidelines without the express written approval of the department. The MCO must submit to the Department the name(s) of the contracted FIs for each county prior to November 1, 2012 and the fourth quarter of each year thereafter, or upon request of the Department.

6. Applicability of Regulations. MCOs are responsible for providing the scope of CDPAS benefit as specified in 18 NYCRR 505.28 (a), and (b). Members must receive a nursing and social assessment upon which the MCO will make a determination pertaining to whether the member requires skilled nursing tasks, home health aide services, or personal care services and whether the member is eligible for CDPAS consistent with 18 NYCRR 505.28 (c) and (d). The MCO will follow 505.28 (e) in the authorization of CDPAS. MCOs are responsible for assuring that the FIs are fulfilling their responsibilities consistent with 18 NYCRR 505.28 (i)(I)(i) – (v), (vii).

7. Acknowledgement of the Roles and Responsibilities of the Consumer/Designated Representative. Each member prior to receiving CDPAS must sign a consumer acknowledgement of the roles and responsibilities of the MCO and the member. The Department will provide a sample acknowledgment form with the minimum requirements for

its use by the MCO.

**CONSUMER/DESIGNATED REPRESENTATIVE
Acknowledgement of the Roles and Responsibilities for Receiving
Consumer Directed Personal Assistance Services**

I acknowledge that Consumer Directed Personal Assistance Services (CDPAS) allows chronically ill and/or physically disabled members receiving home care services greater flexibility and freedom of choice in obtaining such services.

In order to receive CDPAS I understand the respective roles and responsibilities of the consumer and the

_____ Health Plan
(Name of Health Plan).

RESPONSIBILITIES OF THE HEALTH PLAN

The Health Plan will:

1. Determine whether the member is on the most current Plan Roster.
2. Provide the member requesting personal care services with information about how to qualify for CDPAS and other community based long term care services.
3. Provide the member with written educational materials outlining the roles and responsibilities for the member/designated representative if member expresses an interest in CDPAS.
4. Assess whether the member is eligible to receive home care or personal care services.
5. Determine if the member is able and willing to assume all responsibilities associated with receiving the service, or has a designated representative or other identified adult, able and willing to act on the member's behalf.
6. Determine whether member is eligible to receive CDPAS.

7. Assess and document the member's health patient centered care plan to assure adequate supports are available to meet the member's needs.
8. Authorize the type, amount and level of services required by the member.
9. Develop a plan of care with the member, outlining the tasks to be completed by the personal assistant. The plan of care document will be maintained with Plan and a copy will be provided to the member.
10. If it is determined that the member is no longer eligible to continue receiving CDPAS, or Plan terminates the member's receipt of CDPAS the MCO will assess on an ongoing basis whether the member requires personal care, home health care or some other level of service.
11. Provide the member with appropriate notices including a notice of fair hearing for reduction, termination of the level and amount of services or determining that the member is not eligible or no longer eligible to receive CDPAS.

RESPONSIBILITIES OF THE MEMBER

The Member/Designated Representative (Member) will:

1. Review the information provided by the Plan about CDPAS and understand the roles and responsibilities of the Plan, the fiscal intermediary and the Member.
2. Be responsible for recruiting, hiring, and training, supervising, scheduling and terminating the personal assistant(s) of the member's choosing in adequate numbers to meet the needs of the member.
3. Maintain an appropriate home environment for the safe delivery of care required by the member.
4. Train the personal assistant(s) to implement the plan of care.
5. Comply with labor laws, providing equal employment opportunities as specified in the agreement between Member and the Fiscal Intermediary (FI).
6. Inform the Plan and the FI of any change in status or condition including but not limited to: hospitalizations, address and telephone number changes, vacations within 5 business days.
7. Assure the accurate and timely submission of the personal assistant's required paper work to the FI including time sheets, annual worker health assessments, and required employment

documents.

8. Develop and maintain a contingency plan to assure adequate supports are available to meet the member's needs.

9. Review and sign the personal assistant's timecards assuring that the hours reflect the actual number of hours worked within the weekly authorized hours.

10. Cooperate with the Plan and agree to comply with Medicaid Managed Care Program requirements including but not limited to availability for required reassessments.

11. Report and return to MCO any overpayment or inappropriate payments from the Medicaid program made to Consumer Directed Personal Assistants.

I have read and understand the roles and responsibilities of the Plan and me in order to receive CDPAS.
