### Notes

**Consumers Wanted:** For an Employment Information Bridge to work it requires traffic to flow in both directions. If you are in a Consumer Directed Personal Assistance Program, you will eventually need to find a new Home Care Worker. And up to now you may have relied upon Friends, Family, an Agency or you may have chosen to put your own advertisement on the Internet (See the list of Internet resources on the PCA Employment Agency page of this newsletter). Therefore, to help you find the PCA Candidate of your choice, I urge you, to do everything you ordinarily do, to consider an Internet resource and to try [www.ConsumerDirectedServices.com](http://www.ConsumerDirectedServices.com). Finally, if you try Consumer Directed Services, please spread the word. Tell your friends and associates about this **FREE** service.

To whom it may concern:

Your Certified Nursing Assistant position demands the skills, abilities and work ethic that I have developed during my work in different health care settings. An experienced CNA with extensive experience in patient care, I am eager to leverage my skills and expertise to contribute to the well being of patients of your facilities and in home care.

I am a strong candidate for this job because I am highly skilled in all types of patient care activities which include: dressing, feeding, special hygiene, moving patients to and from bed and wheelchairs, and rehabilitative exercises. I am also able to go along with patients on visits to the doctor or the grocery store. In addition, I also have a demonstrated ability to prepare and serve meals, and assist patient with eating.

As you seek a CNA who can get a feel for patients and contribute to your different departments, I hope you will consider my credentials.
