Consumers Searching

Consumers Wanted: For an Employment Information Bridge to work it requires traffic to flow in both directions. If you are in a Consumer Directed Personal Assistance Program, you will eventually need to find a new Home Care Worker. And up to now you may have relied upon Friends, Family, an Agency or you may have chosen to put your own advertisement on the Internet (See the list of Internet resources on the PCA Employment Agency page of this newsletter). Therefore, to help you find the PCA Candidate of your choice, I urge you, to do everything you ordinarily do, to consider an Internet resource and to try

New Law Requires 7-Day Medicaid Application Approval if "Immediate Need" for Personal Care or CDPAP - Addresses Delays in Enrolling in MLTC Plans.

People who apply for Medicaid in order to obtain home care services face long delays in getting Medicaid approved and then accessing home care services from a [managed long term care](#) plan. [Click here to learn about the reasons for these delays.](#) A New York law passed in 2015 that is being implemented in July 2016 should help speed up approval of Medicaid in only SEVEN DAYS and Medicaid home care in TWELVE DAYS if there is an "immediate need" for home care. This article describes this new procedure and other strategies to minimize these delays.

On Oct. 19, 2016, HRA issued a new Procedure Alert, replacing one issued on 9/23/16 that was released in error. Download the new policy - [2016-10-19 MICSA ALERT re Immediate Need for PCS and CDPAP.pdf](#)

The policy requires use of a new NYC HRA [Transmittal Form](#), released Sept. 23, 2016, when submitting applications.

CDPAANYS Survey

Thu, Oct 20, 2016 at 4:19 PM

CDPAANYS is looking to gather more information about how pay for personal assistants is affecting consumers' ability to use Consumer Directed Personal Assistance. To help in this, a workgroup of consumers developed a survey. We need your input for this to be effective!

[Click here to fill out the survey now!](#)

If you are a consumer, by filling out the survey and encouraging those you know to do the same, you can help in our efforts. For FI's and others who interact with consumers of CDPA, I hope you will distribute this survey and help us gain as much insight as possible into this critical issue.

At a time when reimbursements and the very nature of CDPA are under attack, this survey is one tool in our toolbox.

This survey will be open until Sunday, November 20.

[Click here to fill it out now, before you forget!](#)

We will begin analyzing the results at that time. We will put the results into a report that will be distributed to Governor Cuomo, the Legislature and other critical stakeholders.

If you have any questions about this survey, please do not hesitate to contact us. If you would like a copy of the survey that can be printed and distributed in hard copy format, please contact info@cdpaanys.org.

You can find the survey online at the following link: <https://goo.gl/iVUGLh>. It will also be linked on CDPAANYS' website.

Thank you for your participation in this project.
