Notes

Consumers Wanted: For an Employment Information Bridge to work it requires traffic to flow in both directions. If you are in a Consumer Directed Personal Assistance Program, you will eventually need to find a new Home Care Worker. And up to now you may have relied upon Friends, Family, an Agency or you may have chosen to put your own advertisement on the Internet (See the list of Internet resources on the PCA Employment Agency page of this newsletter). Therefore, to help you find the PCA Candidate of your choice, I urge you, to do everything you ordinarily do, to consider an Internet resource and to try www.ConsumerDirectedServices.com. Finally, if you try Consumer Directed Services, please spread the word. Tell your friends and associates about this **FREE** service.

List of Managed Long Term Care Plans

The rest of this document, the State's new "guide" to MLTC, is pretty useless. Supposedly this document gives the quality ratings of plans but they are really not valid

Managed Long Term Care - Changes in Home Attendant & CDPAP in New York City – November 2012

If you live in NYC, over age 21, receive Medicaid home attendant or Consumer-Directed Personal Assistance services (CDPAP), AND have Medicare as well as Medicaid, you are required to enroll in a MANAGED LONG TERM CARE (“MLTC”) plan.

What is Managed Long Term Care?

Managed Long Term Care plans are companies that are paid by the State to take over the job the CASA used to do – they decide whether you need certain Medicaid services, including Medicaid home attendant or CDPAP care, and how many hours you need. They contract with the home care agencies, including CONCEPTS, to provide home care.

1. Is anyone exempt from having to enroll in MLTC?

Yes. You do not have to enroll if you are under 21, if you don't have Medicare, if you have or need hospice care, or are in the Lombardi, the TBI waiver or Nursing Home Transition & Diversion waiver programs.

2. Which Medicaid services does an MLTC plan cover?

- a. Home care:
 - i. Personal Care (home attendant)
 - ii. Consumer-Directed Personal Assistance Program (CDPAP)
 - iii. Home Health Aide, PT, OT (Certified home health agency care)
- b. Adult day care, PERS, home-delivered meals
- c. Medical equipment, supplies, prostheses, orthotics, hearing aids, eyeglasses, respiratory therapy
- d. Home modifications
- e. MEDICAL SPECIALTIES - Podiatry, Audiology, Dental, Optometry
- f. Non-emergency medical transportation to doctor's offices, clinics (ambulette)
- g. Nursing home

3. Can I keep my home attendant or CDPAP aide when I enroll in the MLTC plan?

Yes – the MLTC plans are required to contract with every NYC home attendant agency, including the 2 CDPAP agencies, as long as those agencies agree to accept the HRA payment rate from the home attendant program. This requirement will end in March 2013. Call State MLTC Complaint Hotline **1-866-712-7197** if you have problems keeping your aide.

4. Can I keep my doctors and keep going to my adult care center?

It depends. When you join an MLTC plan, the only services covered are those listed in No. 2 above. So you can keep using your Medicare or Medicare Advantage card plus your Medicaid card to go to most of your doctors, outpatient clinics, labs, outpatient physical therapy clinics, and hospital. But.. you must use providers in the MLTC plan's network for all the Medical Specialties in No. 2 – dentist, audiology, optometry, and podiatry, and all other services in No. 2. This includes adult day care and durable medical equipment supplier.

CAUTION – The lists of plans you may join include not only MLTC plans but also two other types of plan – **Medicaid Advantage Plus (MAP) or PACE** plans. With those plans, you may NOT go to any doctor or hospital you want, and may not use your regular Medicare card any more. These special types of plans cover not only home care and long-term care but ALL MEDICARE and other MEDICAID medical care. With these plans, all of your doctors and other providers must be in the plan's network in order to be paid. Be sure to ask if the plan is MLTC, MAP, or PACE.

5. When do I have to enroll in an MLTC plan?

You do not need to enroll until you receive a “60-day letter” from NY Medicaid Choice (also called Maximus), a company that the State hired to handle all enrollment. A copy of that notice is posted at <http://wnylc.com/health/download/318/>. That letter will give you 60 days to select a plan, and will include a list of plans and a Guide to MLTC (http://www.health.ny.gov/health_care/medicaid/redesign/docs/mltc_guide_e.pdf)If you

don't enroll after 30 days, you will receive another letter from NY Medicaid Choice telling you which plan you will be randomly assigned to if you don't pick one. You may still pick a different one before the 60th day.

You might be pressured to join a plan even before you receive this 60-day notice. This is because plans and home care agencies are marketing. You do not have to join early.. not until you get the 60-day notice.

6. When does the MLTC plan start being in charge of my home care?

The MLTC plan is in charge of you care beginning the first day of the next month after you enroll or after you are assigned by NY Medicaid Choice. You may not notice any difference at first, because the MLTC plan is supposed to continue using your current home attendant or CDPAP vendor.

7. Will the MLTC plan give me the same number hours of home care the CASA gave?

The MLTC plan must continue the same hours and days approved by CASA for 60 days. This is called a transition benefit. During those 60 days the MLTC plan will send a nurse to assess your needs. That nurse will decide how much care the plan wants to give. If the plan wants to reduce your services, the plan must give you a **WRITTEN NOTICE** stating the amount of home care and other services they will give you effective on Day 61 of your enrollment.

8. What are my appeal rights if the MLTC plan reduces my home care or other services?

You have the right to appeal if the MLTC plan reduces your home care from what the CASA used to give. But -- the appeal process is different than it was with CASA. You may **NOT** request a fair hearing right away.

- a. First, you must call or write your MLTC plan and request an **INTERNAL appeal**. This means a supervisor in the MLTC plan will review the decision made to reduce your services. You must request an internal appeal with 45 days of receiving the notice reducing your services. However, you should request it right away – within 10 days - when you receive the notice, if you want your same hours to continue while the appeal is pending.

When you request the **INTERNAL APPEAL** –

- ask for **AID CONTINUING**. This way the MLTC plan will continue providing the same home care hours you received from CASA during the appeal.
- If you don't request the appeal in time to get **AID CONTINUING**, reask for the appeal to be **EXPEDITED** because a delay would jeopardize your health. The plan must decide an expedited appeal within 3 days instead of 30 days.

How to request the **INTERNAL APPEAL** –

1. Call the member services phone number of your plan and ask for an INTERNAL APPEAL. Ask if you need to confirm your request in writing and ask for the address, fax number, or and email.
2. You may write to your plan – write to Member Services return receipt requested and write APPEAL REQUEST on the envelope and on the letter. Make sure you include your Member ID number, name, address, Medicaid number, phone number, and the reasons for your appeal.
 - b . **FAIR HEARING** -- IF YOUR INTERNAL APPEAL IS DENIED, the MLTC plan will send you a notice of denial, that will state your right to request a FAIR HEARING. The notice should give you 10 days to request the hearing to receive “AID CONTINUING” pending the hearing.
1. How to request a fair hearing – by phone (800) 342-3334, fax 518-473-6735, mail or online - see <http://otda.ny.gov/oah/FHReq.asp>
2. Ask for AID CONTINUING to continue your old CASA hours. To do this you must request the hearing within 10 days of the date of the notice.

10. How do I complain about other problems with my MLTC plan?

The appeal process described in No. 8 is about denials, reductions or termination of services by the MLTC plan. IF you have other complaints, you may request a **grievance**. Examples are that you have repeated problems with your aide or the home care agency, like attendance or lateness. Or if you can't get through on the Member Services phone line, if you were treated rudely, if you have been waiting too long for the plan to make a decision to authorize services, etc.

11. Can I change plans?

YES but be careful. You may change plans once a month. BUT.. the plans only take over on the 1st of the month. If you enroll in a new plan in the middle of the month, you will not actually move to the new plan until the 1st of the next month. If you enroll in a new plan after the 19th of the month, you will not move to the new plan until the 1st of the SECOND month. So you will have to stay with your current plan until then.

Also, don't move unless you know the new plan will approve the services you want and the hours you need. You may call any plan and request that they send a nurse to assess you. Ask which services and how many hours the new plan would approve. You have the right to receive that in writing. Don't sign up for a plan unless you know what they will give you.

12. I don't have Medicaid home care now but want to apply. How do I apply?

If you have Medicaid but not home care, you can either:

- Call New York Medicaid Choice **1-888-401-6582** and learn your options and get help to select an MLTC plan, or
- Contact any MLTC plans yourself, ask them to send a nurse to make a visit and assess your needs. Ask how much care and what type of services they would

authorize. You don't have to sign up with one without being told the proposed plan of care.

If you don't yet have Medicaid, you can either:

- Apply at a Community Medicaid office. See http://www.nyc.gov/html/hra/downloads/pdf/medicaid_offices.pdf
- Contact an MLTC plan ask for them to help you apply for Medicaid. Some will, some won't.
- Send a completed Medicaid application (return receipt requested) to: **HRA--HCSP Central Medicaid Unit**, 109 East 16th Street, 5th Floor New York, NY 10003

If you have hospice care, or are in the TBI program or NHTDW program – you still submit M11q forms to CENTRAL INTAKE -- NYC HRA Home Care Services Program 253 Schermerhorn Street 3rd Floor Brooklyn, NY 11201

13. Is the M11q Form still used?

No. The MLTC plan does its own assessment without an M11q. It may be helpful for your doctor to explain your functional impairments and medical condition in writing, though and submit it to the MLTC plan. You can use Selfhelp's Q-Tips as a guide for how to describe your needs. Download at <http://wnylc.com/health/afile/176/32/>.

14. I have a spend-down (surplus income). What happens if I don't pay it?

The MLTC plan will bill you for the spend-down. If you don't pay it, the MLTC plan may disenroll you. You will not be able to get Medicaid home care services. You should enroll in a pooled trust to eliminate your spend-down. For info see <http://wnylc.com/health/entry/6/>.
