Consumer Directed Services offers this Newsletter to provide information about the Consumer Directed Personal Assistance Program and to assist Consumers with the problem of finding new Personal Care Assistants.

To receive a Newsletter, a Consumer or Advocate need only send me an email to elitcher@consumerdirectedservices.com and include the text **Newsletter Request**. If you are looking for a Personal Assistant Candidate and you would like to send a summary of your search criteria to the list of PCA Candidates and Employment Resources, please complete the form at the following link: [Consumer / Advocate - Newsletter Enrollment Consumer - Search for a PCA Candidate](#).

As of the above date, **I have enrolled 249 Personal Assistant Candidates** in the Consumer Directed Services database. Personal Assistant Candidates, who wish to be included in the newsletter and database, can submit their information by completing the form at the following link: [Look for a PCA Job \(FREE\) - New York City Metro](#).

Also, to insure that this Newsletter will be available to as many Consumers / Advocates as possible, previously distributed Newsletters have been archived on the [Consumer Directed Services](#) home page.

Finally, if you have any questions, comments, or recommendations about this service, or should you choose to remove your address from this list, please contact me at the above email address.

Best Regards, Ed Litcher

Notes

Please accept my best wishes for a wonderful Thanksgiving Holiday.

*Sincerely,
Ed Litcher*

2nd Consumer Directed Peer Counselor Training a Success - On Tuesday, November 8 and Wednesday, November 9, peer counselors and train-the-trainers met in Yonkers, NY to undergo the second round of consumer directed peer counseling training. The trainings represent a major component of the New York State Department of Health (DOH) grant awarded to the Consumer Directed Personal Assistance Association of New York State (CDPAANYS) to expand the use of the Medicaid funded Consumer Directed Personal Assistance Program (CDPAP). CDPAANYS is a statewide organization whose members' focus is the delivery of self directed home care services in New York State. In all, 9 CDPAANYS member agencies were represented at the two trainings. This degree of commitment provides a significant base from which to operate a peer counseling demonstration. Several of the organizations present, such as the Western New York Independent Living and Rockland Independent Living, are already looking forward to expanding the number of peer counselors they have using the "train-the-trainer" component of the initiative. Others, like Center for Disability Rights based in Rochester, have already implemented successful peer counseling models that they look to build on. For more information about CDPAANYS and the expansion grant go to their web site at <http://www.cdpaanys.org>

Medicaid Redesign Team Workforce Flexibility / Scope of Practice Workgroup Final Recommendations – November 15, 2011

Work Group Charge: The Workforce Flexibility / Scope of Practice Workgroup will develop a multi-year strategy to redefine and develop the workforce, to ensure that the comprehensive health care needs of New York's population are met in the future.

The proposed strategy will include redefining the roles of certain types of providers and aligning training and certification requirements with workforce development goals. The objective will be to formulate consensus recommendations and identify areas in statute, regulation and policy that would require changes in order to implement them.

The work group will consider proposals for implementation in FY 2012-2013 that would increase workforce flexibility, including those outlined in MRT 200.

The goal should be to create a consensus product that both builds and redefines the workforce to allow New York to ensure that the comprehensive health care needs of our population are met in the future.

The work group will discuss changes in health care settings outside the long term care sector, as well as changes to the scope of practice of advanced practice clinicians in all settings.

This work is related to MRT recommendation #200, Change in Scope of Practice for Mid-level Providers to Promote Efficiency and Lower Medicaid Costs.

Work group membership will include representatives of the State Education Department, New York State Nurses Association and other interested stakeholders.
