## **Consumers Searching**

***Consumers Wanted:** For an Employment Information Bridge to work it requires traffic to flow in both directions. If you are in a Consumer Directed Personal Assistance Program, you will eventually need to find a new Home Care Worker. And up to now you may have relied upon Friends, Family, an Agency or you may have chosen to put your own advertisement on the Internet (See the list of Internet resources on the PCA Employment Agency page of this newsletter). Therefore, to help you find the PCA Candidate of your choice, I urge you, to do everything you ordinarily do, to consider an Internet resource and to try*

*[www.ConsumerDirectedServices.com](http://www.ConsumerDirectedServices.com).*

*Finally, if you try Consumer Directed Services, please spread the word. Tell your friends and associates about this **FREE** service.*

Description of Schedule: I am looking for a back-up PCA

Comments: Urgent, my name is Alan Herzog from Astoria Queens. I am looking for a PCA

willing to do back up work for me when my main PCA is unable to come to work. This is an urgent situation.

I have 35 hours 7 day a week service with Concepts of Independence.

About my situation and requirements: I am totally blind. I require someone who is willing to be thorough at his / her job and can be notified on a same day basis when necessary as sometimes my PCA may not come and I don't find out until the very day she cannot make it.

My requirements include: cooking, cleaning personal assistance with the shower when necessary, reading mail to me, escorting me to places such as doctor's appointments etc. also the PCA must be able to drive a motorized wheel chair when necessary as my medical condition warrants it. Also doing laundry and food shopping.

The need is urgent as a group of circumstances have come together to cause the situation that I am describing here. Also it is a good idea to have a back up or 2 because one never knows what can happen from time to time.

Interested parties may call me from 10 am to 10 pm EST. Other times, please leave me a message on my voice mail and I shall return the call.

My phone no. is: 718-545-0772.

## *Act Now to Save CDPA – Demand Funding to Pay for Minimum Wage Increase*

Mon, Dec 5, 2016 at 6:00 AM

Last night, CDPAANYS learned that the Department of Health has informed managed care plans that no more money is needed to help CDPA pay for the minimum wage increase. Despite the fact that wages in New York City will be going from \$10.00/hr. to \$11.00/hr. on December 31, the Department does not think any additional money is needed for your fiscal intermediary to meet this cost.

**I can not stress this in strong enough terms -If money is not made available, CDPA will not exist in New York City, and it is only a matter of time until the rest of the state follows.**

Governor Cuomo's decision to increase the minimum wage, only to not pay for it for those who are taking care of seniors and people with disabilities represents an appalling attack on our community and we cannot let it stand. CDPA is a vital service that helps about 8,000 people in New York City, and about 20,000 people statewide, live life on their terms in the community. It is a program that employs close to 30,000 people around the state. It is a program that saves the state well over \$150 million per year.

With no money to pay for the minimum wage increase, fiscal intermediaries in New York City and in places around the state will not be able to pay workers the legally required wage. There is only one option at that point - shut down their agency. This is basic math.

**PLEASE TAKE ACTION - E-MAIL GOVERNOR CUOMO AND YOUR LEGISLATORS AND DEMAND THAT THEY FUND THE MINIMUM WAGE FOR CDPA.**

The future of the program relies on it.

## **NY Personal Attendant Wage Impact Survey**

*Mon, Nov 21, 2016 at 5:42 PM*

CDPAANYS thanks the 400+ consumers who sent in responses to our wage impact survey and signed up for VoterVoice. Due to the strong responses we have been receiving, as well as the many new subscribers to our advocacy alerts, we have decided to extend the survey deadline to Monday, November 28 in an effort to represent as many consumers as possible.

Click here to fill out the survey now! <https://goo.gl/iVUGLh>

If you cannot or do not wish to complete the survey online using Google Forms, CDPAANYS has created a printable version which you can fill out and mail back to CDPAANYS.

Click here for the printable version

<http://cdpaanys.org/wp/wp-content/uploads/2016/11/PA-Wage-Survey-Printable-Version.pdf>.

In order for our advocacy to be effective, we want our data to capture consumers' experiences in the entirety of New York State! We have received lots of great feedback from the Capital Region and Long Island/Downstate regions, and we are especially interested in hearing from consumers in the Western, Central and Southern Tier regions.

Please encourage anyone you know who is a consumer to fill out this survey!

This survey is now open until Monday, November 28.

Click here to fill the survey out now!

Our next step in the fight for increased wages and reimbursement will be to work with our advocacy committee and consumer advocates workgroup to analyze survey data and create a report that will be distributed to Governor Cuomo, the Legislature and other critical stakeholders. While FIs and professional advocates have been continuously fighting on behalf of personal assistants' wages, the consumer's and workers' voice is what matters most to those at

the top.

If you have any questions about this survey, please do not hesitate to contact us.

You can find the survey online at the following link: <https://goo.gl/iVUGLh>

It is also linked on CDPAANYS' [website](#) on the very front page.

Thank you for your participation in this project.
